Use of cookies

This website uses cookies to better the users experience while visiting the website. As required by legislation, where applicable this website uses a cookie control system, allowing the user to give explicit permission or to deny the use of /saving of cookies on their computer / device.

What are cookies?

Cookies are small files saved to the user's computer hard drive that track, save and store information about the user's interactions and usage of the website. This allows the website, through its server to provide the users with a tailored experience within this website. Users are advised that if they wish to deny the use and saving of cookies from this website on to their computers hard drive they should take necessary steps within their web browsers security settings to block all cookies from this website and its external serving vendors or use the cookie control system if available upon their first visit.

Website visitor tracking

This website uses tracking software to monitor its visitors to better understand how they use it. The software will save a cookie to your computers hard drive in order to track and monitor your engagement and usage of the website, but will not store, save or collect personal information.

This policy is effective as 21st November 2024.
